Re: 2015 COMPUTERS, ELECTRONICS, TIRES AND DOCUMENT SHREDDING RECYCLING EVENTS

Dear Municipal Recycling Coordinator,

The Bergen County Utilities Authority (BCUA) will be sponsoring four (4) electronics, automobile tires and document shredding recycling events in 2015. The recycling events will consist of one (1) temporary drop-off location in Bergen County for collection and recycling of automobile tires, computers, electronics and document shredding delivered by Bergen County residents. The dates and locations are:

LOCATION: Bergen Community College, 400 Paramus Rd., Paramus
Saturday, April 18, 2015
Sunday, August 16, 2015

LOCATION: Bergen County Campgaw Mountain Reservation,
200 Campgaw Rd., Mahwah, NJ
Saturday, June 6, 2015
Saturday, October 24, 2015

Please note: The Paramus location has changed

Event hours are 9 AM – 2 PM rain or shine. These events offer Bergen County residents the opportunity to properly recycle automobile tires, computers, electronics and shredding of sensitive documents. These events are free of charge to ***Bergen County residents only***. Residents can contact our environmental programs hotline (201) 807-5825 for additional information or visit the BCUA website www.bcua.org.

The BCUA is soliciting assistance to help inform residents about the importance in the proper disposal/recycling of computers, electronics and automobile tires. The BCUA will be delivering flyers to your municipality in early February. We ask that you display these flyers throughout your municipality. If you require additional information or have any questions, please do not hesitate to contact me at (201) 807-8696. Thank you for your anticipated cooperation.

Very truly yours,

Richard M. Baroch
Solid and Special Waste Program Administrator
