

Attention Residents

***HEALTH OFFICIALS
HAVE RECENTLY REPORTED:***

A RABID SKUNK IN CLIFFSIDE PARK

The Skunk was found near Knox Ave on March 15, 2019

Rabies is a fatal viral disease if untreated.

Any mammal can carry rabies if infected.

A rabid animal may act aggressive, friendly, active or lazy.

Do not feed, handle or approach wild or unknown animals, including cats and kittens.

All animal bites or scratches should be reported to your local police department.

Call the Cliffside Park Police Department at

201-945-3600
